Fund Drive Chair

Steve Underdahl understands blueprints and he's dedicated to helping South Central College fulfill its mission to help students achieve success through higher education. As a long-time supporter of the Faribault Campus Foundation and Chair of the 2009-10 fund drive, Steve

agreed to lead this effort because he believes South Central College is a vital asset to the current and future economic success of this region.

Steve has lived in Faribault for nearly 50 years and has owned procon, Inc., a construction services company, for 36 years. He has served in leadership positions for the Faribault Area Chamber of Commerce, and on the Faribault Planning Commission, Economic Development Authority, and various professional associations. He currently serves as a Faribault City Councilor and Vice President of the Board of the Southern Minnesota Initiative Foundation.

"My goal as fund drive chair is to assist the Foundation and the College in creating opportunities for students from our region to receive high quality secondary education. With your financial support we will enable students to experience personal growth and contribute their talents to the region's growing business needs. Together we can help them construct better futures."

Steve Underdahl, 2009-2010 Fund Drive Chair

Scholarship Recipient

"I was both surprised and honored to receive a scholarship. As one of this year's recipients, I am grateful for the opportunities this award will provide me as I pursue a degree in Accounting. I appreciate your confidence in me and willingness to contribute to my education."

Giving Opportunities

UNRESTRICTED DONATIONS

When the Foundation is called upon to support a particular scholarship, event, or college project, unrestricted funds are needed to fulfill those needs. The Foundation Board is comprised of individuals who have strong integrity and care about where your dollars are spent. You can be assured that unrestricted contributions will be used where they can make the greatest impact.

RESTRICTED DONATIONS

Some donors have a strong preference for restricting their donation to a certain scholarship or major area at SCC. The Foundation office will work with you to make sure your wishes are fulfilled.

There are additional ways a company or individual may give a gift to the SCC Foundation. While the greatest benefit to the donor may be in helping to change the lives of our students, there are also tax benefits. Valuable methods of donation include:

- * GIFTS OF STOCK AND SECURITIES
- * GIFTS OF PROPERTY
- * IN-KIND GIFTS
- * PLANNED AND DEFERRED GIFTS

ENDOWING A FUND

Endowments can be established as a gift to last forever to support scholarships or general initiatives within the college.

NAMED SCHOLARSHIPS

If you would like more information about establishing a scholarship fund or endowment, or providing a named scholarship on an annual basis, contact the Foundation office at (507) 332-5808 or check the box on the pledge card.
