Carol Freed
Assistant to the President
Tuition and fees for all MnSCU 2-year colleges are in the "red" across the entire system because a national comparison puts the system near the highest tuition/fees in America.

Facilities Condition Index (FCI)
In May of 2012, SCC received $13.3 million for the renovation and remodeling of the Faribault campus which will help the overall FCI. SCC currently is completing approximately $20 million of HEAPR projects and will soon begin a $15 million roof project for the North Mankato Campus. All of these items will assist in moving the FCI from 'red' to 'blue' level. Additional dollars in State HEAPR are needed in order to move to the highest level.

Persistence and Completion Rates
SCC is one of 13 MnSCU 2-Year Colleges that is in the 'red' category for persistence and completion rates. Part of this issue is having students offered (and accepting) jobs before they finish their degrees. In addition, SCC has a Retention Committee with established objectives to improve student retention rates. SCC has also created an ASK ANYONE Campaign designed to create an educational environment that encourages student persistence.

SCC is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools as a Comprehensive 2-year College.
I am very pleased with the progress our college has made during this past year and 
I invite you to view the list of our major accomplishments for 2011-12 (pages 8-10). 
Your contributions and partnerships have assisted us in reaching our goals and 
your input remains the foundation for our new initiatives and educational 
options.

**Building for the Future**
The 2012 State Bonding Bill was approved by Governor Mark Dayton 
on May 11, 2012, and provides $13.3 million in remodeling and expansion of 
our Faribault Campus. Work will begin on remodeling in January 2013, with 
groundbreaking for the expansion in the spring of 2013. We are grateful to our 
area Legislators for their continual support throughout the process that began in 
2010.

In addition to our bonding project, SCC has undertaken several remodeling projects including: 
new administrative offices on the North Mankato Campus; updates to restrooms on both 
campuses; remodeled Computer Integrated Machining on the Faribault Campus; and the creation 
of a new office complex for our Center for Business and Industry on the North Mankato Campus.

**Beyond the Yellow Ribbon Designation**
SCC is proud to be recognized as a ‘Beyond the Yellow Ribbon College’ for our commitment to serving 
veterans, military service members and their families. This special recognition was made by Governor 
Mark Dayton on July 27, 2012. Our enrollment numbers for returning veterans continues to grow, and we 
are honored to be recognized for the extra attention that we provide to this special group of students.

**Right Skills Now**
South Central College was chosen as one of two colleges nationwide to create an accelerated 
machining program entitled Right Skills Now (RSN). The program is an outgrowth of President Obama’s 
Council on Jobs and Competitiveness. The fast-track machining training began in January on the 
Faribault Campus and in March on the North Mankato Campus. SCC is delighted with the initial success 
of the program and our ability to provide a trained workforce for our manufacturing partners.

**Expanding our Agricultural Programs**
South Central College is working to identify and then deliver the education required for the future 
needs of our agricultural workforce. SCC hosted several listening sessions made up of agriculture/ 
agribusiness representatives, employers and educators to assess the needs. SCC, together with 
Minnesota West Community and Technical College, will be working to align our certificates, degrees 
and customized educational programs with the identified needs of our agribusiness partners. 
Agriculture and ag-related businesses make up the largest sector in our region’s economy. South 
Central College looks forward to the next steps in creating a Southern Minnesota Center of Agriculture 
to better serve this important sector of our economy.

Thank you for your support of our college and its students. We ask for your continued assistance to 
help transform lives and build a well-educated workforce.

President Keith Stover
MISSION statement

South Central College provides accessible higher education to promote student growth and regional economic development.

PURPOSE statements

- Foster a welcoming environment that cultivates a sense of respect and appreciation for differences.
- Provide educational options that prepare students for entry into the workforce, career advancement and academic transfer opportunities.
- Offer student services and enrichment experiences that support academic success.
- Provide educational opportunities that develop our students’ ability to understand and evaluate personal, social, civic and global perspectives.
- Deliver education, training and consulting services for business, industry and government organizations that help maximize productivity, profitability and sustainability in a global marketplace.
- Promote the economic, cultural and intellectual development of the community through collaboration with our stakeholders.

Approved by the Minnesota State Colleges and Universities System Board of Trustees
May 20, 2009
Recognizes the liberating effects of lifelong intellectual, professional and personal learning.

Honors diversity and inclusion by recognizing every person’s worth and potential.

Operates with integrity in all interactions.

Encourages open and honest communication that respects individual opinions.

Values collaboration and believes that teamwork promotes unity and shared purpose.

Embraces continuous improvement.

INSTITUTIONAL CORE COMPETENCIES

Personal, social and ethical responsibility:

>Civic knowledge and engagement - local and global: Students will understand the richness and challenge of local and world cultures and the effects of globalization, and will develop the skills and attitudes to function as “global citizens.”

>Intercultural knowledge and competence: Students will recognize and understand the rich and complex ways that group and individual inequalities and interactions impact self and society.

>Ethical reasoning and action: Students will develop ethical and social responsibility to self and others, and will collaborate with others to address ethical and social issues in a sustainable manner.

>Foundations and skills for lifelong learning: Students will display an understanding of learning as a lifelong process through demonstration of a desire to learn, the willingness to apply learning to other areas of their lives and the ability to think and act independently, be willing to take the initiative to get projects done and demonstrate the ability to reflect upon what has occurred and how it impacts students and others.

Intellectual and practical skills:

>Teamwork and problem-solving: Students will demonstrate the ability to work together cohesively with diverse groups of persons, including working as a group to resolve any issues that arise.

>Analysis and inquiry: Students will demonstrate an ability to analyze information from multiple sources and to raise pertinent questions regarding that information.

>Critical and creative thinking: Students will develop the disposition and skills to strategize, gather, organize, create, refine, analyze and evaluate the credibility of relevant information and ideas.

>Written and oral communication: Students will communicate effectively in a range of social, academic and professional contexts using a variety of means, including written, oral, numerical/quantitative, graphic and visual modes of communication.

FYE BY DELIVERY METHOD

[Graph showing FYE by delivery method for different years and locations]
South Central College is committed to fostering a campus environment of inclusion, knowledge and understanding in which faculty, staff and students learn to value diversity and to respect individual differences that enrich our college community.

**Goal #1**  Develop diversity and SCC students’ cultural competence through comprehensive and sustained educational programming (curricular and co-curricular).
- Faculty survey administered fall 2011 to develop baseline data regarding ways SCC faculty incorporate diversity/culture into their courses (62% response rate.)
- Program review process revised to include measures regarding diversity efforts.
- 35 diversity/global-themed events were offered during the 2011-12 academic year.
- Several student focus groups were held to gather information regarding the co-curricular needs and interests.

**Goal #2**  Increase the diversity of SCC’s student population by developing new, and strengthening existing, recruitment initiatives.
- Creation of marketing and recruitment materials in Spanish and Somali including Spanish radio buys and postcard mailings in collaboration with Centro Campesino to promote information sessions in the targeted communities of St. Peter, Owatonna and St. James.

**Goal #3**  Increase the college’s persistence and completion rates for underrepresented students.
- Completions of third year of a five-year TRiO grant from the U.S. Department of Education. During the 2011-12 year, SCC created a TRiO Pipeline Project in collaboration with Minnesota State University to make an easy transition for students transferring to MSU to complete a 4-year degree.
- Two major outcomes identified by Diversity Committee for data collection purposes - student retention and student engagement and inclusion.

**Goal #4**  Increase the diversity of SCC’s employee pool by strengthening recruitment and retention procedures and practices.
- The Diversity Committee collaborated with Human Resources to develop SCC’s Affirmative Action Plan.
- Several major outcomes identified by Diversity Committee for data collection purposes identified including employee recruitment, employee retention and employee engagement and inclusion.

**Goal #5**  Develop diversity and cultural competence among college employees through comprehensive and sustained diversity training and programming.
- Creation of a comprehensive employee training program to be implemented FY13.

**Goal #6**  Create and maintain a welcoming atmosphere that embraces diversity and provides an inclusive collegiate environment.
- Implementation of a procedure to ensure that facility decisions are inclusive of different groups and that decisions relating to expansion and remodeling projects are sensitive to diversity issues.

**Goal #7**  Identify meaningful partnerships with higher education institutions, K-12 systems, community groups and business partners to collectively strengthen the college’s diversity efforts.
- Continuation and deepening of SCC’s partnership with the Greater Mankato Diversity Council through contract to deliver a comprehensive training program in FY13.

**Goal #8**  Formalize the Diversity Committee’s structure and competence to strengthen its advisory capacity to the college.
- Approval of by-laws for the Diversity Committee.
- Development of Diversity Champion Training to be delivered to SCC Administrative Team and Diversity Committee members in FY13.
ACCOMPLISHMENTS 2011-2012

Goal #1  INCREASE AND ENHANCE ACCESS

The 2012 State Bonding Bill was approved on May 11, 2012 and provides $13.3 million in remodeling and expansion of our Faribault Campus. Work will begin on remodeling in January 2013, with groundbreaking for the expansion in the spring of 2013.

SCC is proud to be recognized as a ‘Beyond the Yellow Ribbon College’ for our commitment to serving veterans, military service members and their families. This special recognition was made by Governor Mark Dayton on July 27, 2012.

SCC hosted a variety of summer programs including our 6th Annual Zap Camp with a focus on physics, robotics, computer integrated machining and geographic information systems. Our first STEM Girls Camp was held on both campuses to promote an interest in engineering and manufacturing careers for middle school girls.

SCC’s North Mankato Campus held its first annual Technology Showcase on September 21, 2011, exposing area high school students and the general public to demonstrations in a variety of high-tech areas. Plans are to offer the same event in conjunction with Manufacturing Week activities on both campuses in the fall of 2012.

SCC added a Biology A.S., Engineering Foundations A.S. and Health Sciences Broad Field A.S. degree for a fall semester 2012 start. All majors have an articulation agreement with Minnesota State University Mankato.

South Central College is in the third year of a 5-year TRiO Student Support Services grant. SCC is providing tutoring and academic/personal support to increase retention, transfer and graduation rates of our under-represented students. New in 2012, was the creation of the TRiO Pipeline Project with Minnesota State University Mankato to ease the transition for students transferring to MSU to complete their 4-year degree.

SCC and North Mankato Student Senate was named 2012 Student Senate of the Year and Star Campus by the Minnesota State College Student Association (MSCSA).

SCC’s Speech Team took 3rd place in the community college division at the 35th American Forensics Association National Tournament hosted by Texas State University. Anna Kelley and Rebekah Buege took home the national honors for SCC.

The Library/Media Center created a Learning Commons environment with additional computer access and areas for group and individual study.

SCC’s Culinary Art students were honored at a MnSCU Board of Trustees meeting with Chancellor Steven Rosenstone. SCC students Andrew Miller, Heather Hanson and Alex Braaten took first place at the 50th Collegiate DECA International Conference held in Orlando, Florida in April of 2011.

Goal #2  PROMOTE STUDENT SUCCESS

SCC’s Speech Team took 3rd place in the community college division at the 35th American Forensics Association National Tournament hosted by Texas State University. Anna Kelley and Rebekah Buege took home the national honors for SCC.

The Library/Media Center created a Learning Commons environment with additional computer access and areas for group and individual study.

SCC’s Culinary Art students were honored at a MnSCU Board of Trustees meeting with Chancellor Steven Rosenstone. SCC students Andrew Miller, Heather Hanson and Alex Braaten took first place at the 50th Collegiate DECA International Conference held in Orlando, Florida in April of 2011.
Goal #3  SUPPORT ECONOMIC VITALITY

South Central College was chosen as one of two colleges nationwide to create an accelerated machining program entitled Right Skills Now (RSN). The program is an outgrowth of President Obama’s Council on Jobs and Competitiveness. The fast-track machining training began in January on the Faribault Campus and in March on the North Mankato Campus.

President Keith Stover and Dean of Economic Development, Marsha Danielson attended the Greater Mankato Growth Intercity Leadership visit to Charlottesville, Virginia in December 2011.

SCC’s Center for Business and Industry hosted the Lean Enterprise Summit on May 15, 2012, featuring the co-founder of the Lean Learning Center, Mr. Jamie Flinchbaugh.

SCC hosted its 4th annual Ag Symposium on February 28, 2012, and attracted more than 375 producers, agribusinesses, students and faculty members.

SCC hosted Governor Mark Dayton’s Economic Summit on September 15, 2011, on our Faribault Campus.

Goal #4  ENSURE ACCOUNTABILITY & INSTITUTIONAL EFFECTIVENESS

SCC has moved to the AQIP ‘quality outcomes’ model for Higher Learning Commission re-accreditation with the North Central Association of Colleges and Schools.

SCC’s Culinary Arts, Office Administration and Technology, Agribusiness, and Marketing Management departments completed the program review process during FY12.
Goal #5 FUEL AND CELEBRATE INNOVATION

In an effort to reduce printing costs and provide the most accurate and up-to-date program information, SCC moved to a fully online eCatalog in June of 2012.

SCC received the gift of a 2012 Chevy Cruze from Mankato Motors. The car will be used by the college’s admissions team for recruitment activities. SCC involved students in Graphic Communication, Computer Careers, Auto Body & Collision Technology and Computer Integrated Machining to complete the project.

A Perkins Grant was provided to assist in the development of a new Biotechnology degree.

SCC created a new Science, Technology, Engineering and Mathematics (STEM) division.

Terry and Robert Weston, in SCC’s Center of Business and Industry division, received the Grand Prize Award in the training materials competition at the National Mine Health and Safety Academy Conference in Beckley, West Virginia held in October 2011.

Computer Careers instructor John Burns and the PCs for People Project were honored as the 2011 first prize winners for the Minnesota Campus Compact Presidents’ Civic Engagement Steward Award.

SCC’s Awards and Recognition Committee honored the following SCC members on April 6, 2012:

Jane Greathouse - Outstanding Faculty Member of the Year
Juliann Brueske - Service Excellence Award
Teamwork Award – Elizabeth Prange
Innovation Award – Jerry Soost
Diamond in the Rough – Jon Morgan
Engagement Awards - Robin Schwieger and Ann Anderson

Goal #6 NURTURE RELATIONSHIPS

Productivity and Haas have helped SCC to create a Haas Center of Excellence in our Computer Integrated Machining (CIM) lab on the North Mankato Campus. Improvements and upgrades have also been made to the Faribault Campus CIM lab. These updates have allowed SCC to provide cutting-edge instruction to support our regional manufacturers.

SCC received the Brian Fazio Business Education Partnership Award for our work in Science, Technology, Engineering and Mathematics (STEM) education by Greater Mankato Growth. SCC was nominated by our business partner Bolton and Menk, Inc.

SCC hosted its first Alumni Breakfast event on the North Mankato Campus on April 20, 2012.

Organizations of every size depend on CBI to deliver education and training solutions to increase performance and drive growth.

YOU NEED:
- Skilled and knowledgeable employees
- Competitive advantage
- Growth and profitability
- Innovative and adaptable solutions

WE DELIVER:
- Customized solutions and continuing education
- Experienced subject matter experts
- Cost-effective, relevant services
- Non-credit and credit programs
- Resource connections

YOU GET:
- Increased employee productivity
- Enhanced employee retention
- New business growth
- Continued support, a one-stop, local resource

Solution: Business Services
To build capacity and leverage resources: consulting, assessment, research, planning and organizational development.

Solution: Continuing Education
Based on market demand, education to help build personal expertise: professional refreshers, certifications and licensure education.

Solution: Custom Education/Training
Tailored, flexible, relevant learning delivered by subject matter experts via classroom (yours or ours) online and hands-on.

Solution: Workplace Credit
Employees earn college credit conveniently at the work site. Transferable to academic certificate, diploma or associate degree programs.

CBI programs span the gamut of quality education and training in these broad areas of knowledge and skills development:
- Business • Computer & Technology • Healthcare
- Manufacturing & Trade • Public Safety & Driving • Workplace Safety

The Foundations on the Faribault and North Mankato Campuses awarded over three-hundred thousand dollars to SCC student scholars in 2012! Funds for these scholarships were raised in a variety of ways, including regional fund drives, faculty, staff and alumni contributions, earnings on endowed funds, grants and special fundraising events. Foundation volunteers work hard each year to raise funds for these scholarships, and we have had overwhelming support from the businesses and individuals in Mankato, North Mankato, Faribault and our South Central Minnesota communities.
OUR DONORS
The South Central College Faribault Campus Foundation wishes to thank these companies and individuals for their generous support during the 2011-12 fiscal year (July 1, 2011 through June 30, 2012).
